

SEPTEMBER 2024

Victory Voice

Monthly Newsletter for Parents

Pop-Cycle Family Night - Friday, 9/13, 5:30-7:00 p.m.

Bring the **kids' bikes, trikes, and scooters** for our next family night of the school year! We'll close a section of the parking lot for the kids to ride on and we'll have **popsicles** available as a treat in this warm weather.

Classrooms will be open to visit - let your child show you his/her favorite spaces! - and **teachers will be available to chat** with, if you have any questions or concerns after the first couple of weeks.

We'll meet in the church at 6:00 p.m. for songs and announcements, but come as early as 5:30! Get to know your child's new friends, connect with other parents; we truly want our preschool to be a **family community!**

Spread the word about VLP!

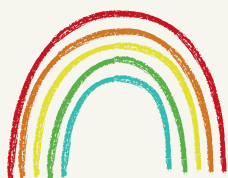

We hope you are enjoying your time with us at Victory Preschool thus far - would you recommend us to others?

Please consider sticking the **attached decal** to your car window - it's just another way to let people know about us as you drive around town!

God's blessings to our friend **Cody**, celebrating his birthday in September!

"I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Psalm 139:14

A Christian Preschool with Lessons for Life and Eternity

Learning Goals in September

VPK

Themes for the month:

My Favorite Things

Church Helpers

Insects & Spiders

Work & Play Together

VPK Assessments

During the **first two weeks of September**, all VPK students will be assessed with the **STAR Literacy test**, as required by the Early Learning Coalition as part of our VPK contract.

This test will be administered 3 times during the school year; September's test is considered a **pre-test**, getting to know a student's baseline of knowledge as they start VPK. Parents will receive a copy of the results soon after the tests are given.

We want the kids to be **well-rested, eating a healthy breakfast, and ready to tackle** this 15-minute test to the best of their ability. Most of the kids enjoy the assessment and think of it as a learning game! If your child has a rough night of sleep or is having an "off" morning during those weeks, just let your teacher know, so that they can avoid testing during that day. Thank you!
